O.C.G.A. 48-7-102 requires you to complete and submit Form G-4 to your employer in order to have tax withheld from your wages. By correctly completing this form, you can adjust the amount of tax withheld to meet your tax liability. Failure to submit a properly completed Form G-4 will result in your employer withholding tax as though you are single with zero allowances.

Employers are required to mail any Form G-4 claiming more than 14 allowances or exempt from withholding to the Georgia Department of Revenue for approval. Employers will honor the form as submitted pending notification from the Withholding Tax Unit. Upon approval, such forms remain in effect until changed or until February 15 of the following year.

NOTE: Employers who know that a G-4 is erroneous should not honor the form and should withhold as if the employee is single claiming zero allowances until a corrected form has been received.
